

Home Heat Offer

Terms and Conditions of New Customer Domestic Central Heating Offer

This offer applies strictly to new Flogas single tank bulk LPG home heat customers:

- installing a Flogas LPG tank & a gas boiler as the sole source of central heating within a new build home or where the home is converting from Oil to Flogas LPG (subject to survey).
- signing a 2 year Domestic Bulk LPG Supply Agreement.
- living within privately owned and permanently occupied domestic homes.

Under this offer, the customer can avail of:

1. A free LPG boiler from those specified at: www.flogasni.com/boileroffer and
2. The price of LPG to the customer will be fixed for a period of two years months from date of signed contract.

Home Heat Customers availing of the free boiler are responsible for ensuring that they maintain the boiler in accordance with the manufacturer's instructions. The boiler will be registered by Flogas for the customer with the manufacturer and the manufacturer should be contacted directly for any servicing or warranty issues following installation.

No cash alternative/exchange is available in lieu of the free boiler. Should the Home Heat customer require a boiler larger than the boilers available under this offer, or an additional boiler, the customer will be liable to pay any additional charge(s) directly to the installer.

A Home Heat customer who wishes to organise the installation of an alternative boiler will instead qualify for 1,200 litres of LPG FREE on receipt of the Gas Safe installation certificate from a qualified Gas Safe Registered engineer. The free boiler, or 1,200 litres can be used on the new customer's Account only and is non-transferable.

Flogas reserves the right to withdraw this promotion at any time or amend the conditions of the offer without further notice.
